PROVISION AND CELEBRATION

PASTOR JOHN SUTHERLAND

The hues of autumn leaves and skies are already here. In a few weeks the fall equinox will do its tilting role for creation's good. Yes, it is good even if you are a person like me

who wants endless summer. Dormancy is rest and so too is hibernation and thus the tilting is good for some of our trees and animals. In their own weird way, both hibernation and dormancy are an aspect of bounty. Provision for survival is offered in rest.

For those of us that neither completely hibernate nor embrace dormancy, autumn is a time of harvest and celebration of the provisions graciously offered to us. Granted, all sorts of harvesting happens during the growing and fishing season, but there is just something about the autumn that hits the harvest theme home. Most likely it is due to the end of gathering grains, fruits, and vegetables. Hunters also harvest in the fall. It is not a coincidence that many congregations have their stewardship drives in the fall because for many it is a time of plenty rather than want.

Our Jewish siblings celebrate Rosh Hashanah or the New Year on the 29th of September this year. Indeed, in many ways, September in the northern hemisphere offers plenty of new years: school, church, Packers' domination, and television series seasons. One can either look back or forward, but looking forward seems to be the September norm. Happy New Year on many fronts!

Continued on page 2

Continued from front page

During these waning days of summer and New Year startups we would do well and more importantly be faithful in recognizing the faithfulness of God. All that we have to survive and enjoy are the result of God's handiwork because God the Creator knows that we need both provision and celebration.

On January 1 or the days leading to it, some people make resolutions to follow during the calendar year. I usually never make such resolutions as I have yet to keep any. Perhaps because such things are all about the self, and it can be really easy to keep the self as it is.

In the alternative new years offered, it would do

us good to make other resolutions about helping our neighbors and God in the care of all creation which includes humanity.

New opportunities for ministry abound and in the routines afforded by the seasons we are entering, it just may be the perfect time to ask God how we can be of help. We do so not as a way to just say thanks for all that has been done and given, but as a response to all that has been done and given to us. Sing the song of harvest home, but do so through actions and words that help others because we can also be provisions to others. We are part of the bounty; and in the end that is really very cool.

WELCOME DESK FALL 2019 SCHEDULE

DONNA MILLER

Lynda and I have completed the Welcome Desk volunteer schedule for the Sunday 8:30 and 10:30 services for September 8 through December. A copy of the schedule will be sent to the volunteers and we ask that they let us know if they are not able to serve on the Sunday assigned to them. We look forward to another year of devoted service and fellowship. We appreciate and feel blessed with the wonderful volunteers that meet and greet members and guests and are an important part of Outreach at Redeemer. If you are interested in being a new Welcome Desk volunteer, call us and let us know. Donna Miller (651-739-4329) and Lynda Anderson (651-578-8285).

EVERYTHING CHANGES...AND THAT CHANGES EVERYTHING

JEAN JOHNSON, INTERIM WORSHIP AND MUSIC DIRECTOR

Anyway, coming back to Redeemer is like that for me...everything changes, yet some stays the same, which changes everything!

Staying the same—The warm congregation and welcome, the friendly Dona Will face in the office, the happy coffee hour conversation following worship.

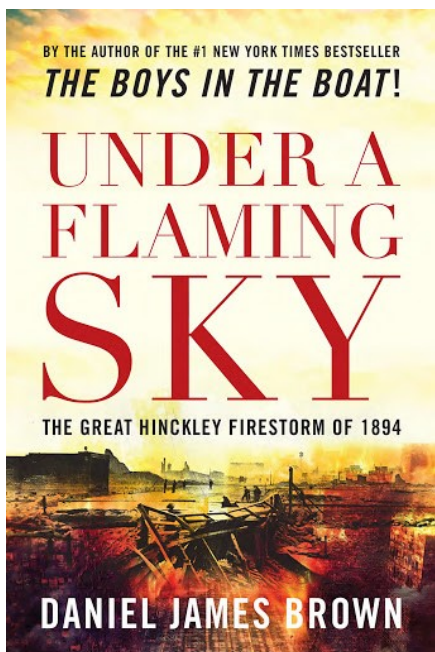

Also staying the same...

Chorale rehearsal begins again on Wednesday, September 11, 2019 at 7:00 PM in the Choir Room.

Rejoice rehearsal begins again on Thursday, September 12, 2019 at 6:30 PM in the Sanctuary.

What changes...leadership, worship times, call committee information, worship and music director call committee formation, relationships, etc. You get the idea.

Yet, what doesn't change and for which we are grateful—the grace of our Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit. Amen and Amen.

REDEEMER BOOK CLUB NEWS

Join us on **Tuesday, September 10 at 7:00 PM in the Redeemer Library** to kick off another interesting year of reading and discussing a wide range of excellent books. Our first book is the historical account, *Under a Flaming Sky: The Great Hinckley Firestorm of 1889* by Daniel James Brown.

BOOK: *Under a Flaming Sky: The Great Hinckley Firestorm of 1889*. By Daniel James Brown.

LEADER: Nadine Myers

AT REDEEMER

This is a spellbinding account of danger, devastation, and courage that reveals the dramatic, minute-by-minute story of the tragedy of the Hinckley fire. On September 1, 1894, two forest fires converged on the town of Hinckley, Minnesota, trapping more than two thousand people. The fire created its own weather, including hurricane-strength winds, bubbles of plasma-like glowing gas, and 200-foot-tall flames. In all, more than 400 people would die, leading to a revolution in forestry management and the birth of federal agencies that monitor and fight wildfires. **Our October book will be *Becoming* by Michelle Obama.**

THE REDEEMER BOOK SALE BEGINS
ON SEPTEMBER 8!

A NEW WAY TO GIVE GENEROUSLY TO GOD'S LIFE TRANSFORMING MINISTRY OF REDEEMER LUTHERAN CHURCH

You are an incredibly generous congregation. It is a great privilege to be in fellowship with you as we seek to bring the good news of salvation by grace, the forgiveness of sins, and the friendship of a God who loves all and offers a peace that surpasses understanding. These messages are more relevant than ever in what seems like an increasingly hurting world.

Speaking of being relevant, your stewardship team has been exploring ways to make giving even easier for all members and maybe even guests. This fall we are introducing a new way to give using a smart phone or any other computer-like device.

Give plus will allow giving:

- * From anyone
- * From any device
- * From anywhere
- * From any place
- * At any time

This is just one more way for people to give. There are many ways to give to Redeemer. Let's review the ones you know:

- * Using weekly giving envelopes and placing them in the collection plate each Sunday. This is a time-honored and wonderful way to partner in bringing God's expansive love to the world.
- * Drop off or mail your donation to the church office. Our cheery office staff will gladly process your offerings which help fund our mission.
- * The Simply Giving program. This allows a regular withdrawal from your bank account to the church. We are blessed that so many of you already use this option. It is secure, easy, and helps smooth out peaks and valleys in giving. Your gifts change lives.
- * Redeemer's website at rlc-wbl.org allows giving online. Just click on the "giving" tab at the top of the home page. Then click on the online giving page and fill in the blanks to leave your gift and a positive impact on the world.

In addition to these ways to give, you can now use Give Plus Mobile as well. Have you noticed that there are a lot of phone apps? Give Plus is an app that you download onto your phone for free and allows you the ease of giving from anywhere at any time.

Some of you will find Give Plus Mobile a very helpful and easy way to give. We look forward to hearing your feedback. Others may be wondering why they can't just keep doing what they already are doing. To you we say "YOU CAN!!! PLEASE DO!!!"

Our prayer is that you live a generous life and in doing so draw closer to Jesus. Please use the giving option above that you feel most comfortable with and find the easiest. If placing your envelope in the collection plate is easiest for you, please continue to do so with your appreciation and blessing. If giving from your smart phone is easiest, then welcome to the new format!

REDEEMER PRIMETIME SEPTEMBER

Life can knock us to our knees...

What defines us - distinguishes us - is how we respond.

**Faced with adversity, we can be bitter...
or we can be better.
It's a choice.**

"BITTER OR BETTER: THREE STEPS TO LIVING THE BETTER CHOICE"

SPEAKER: CARYN SULLIVAN, ST. PAUL PIONEER PRESS

Come hear Caryn Sullivan, award-winning columnist for the St. Paul Pioneer Press and author of the award-winning memoir, "Bitter or Better: Grappling with Life on the Op-Ed Page" present her inspirational talk, "Bitter or Better: Three Steps to Living the Better Choice." In her columns, her memoir, and her talks, Caryn reminds us that we are all students and teachers in life, that we can choose how to respond when life takes us to our knees, and that a life well lived is achieved by living in the moment and preparing for the inevitable.
